ELIGIBLE

**DELARO<sup>®</sup>**  
*Complete*

**Designed to keep operations**

*moving forward*

Your farm is a well-oiled machine. To keep it running smoothly you need inputs that deliver results you can count on. Delaro<sup>®</sup> Complete fungicide offers three modes of action for:

**CONSISTENT  
DISEASE CONTROL**

Control of major corn and soybean diseases under many different environmental conditions.

**HIGHER  
YIELD POTENTIAL**

Boosts photosynthesis and increases grain fill, leading to higher yield potential and resistance management.

**IMPROVED  
PLANT HEALTH**

Increases drought tolerance, improves canopy closure, and standability for both corn and soybeans.

## KEY CORN DISEASES CONTROLLED

- Anthracnose leaf blight
- Eyespot
- Gray leaf spot
- Northern corn leaf blight
- Northern corn leaf spot
- Physoderma brown spot
- Rust
- Southern corn leaf blight
- Tar spot

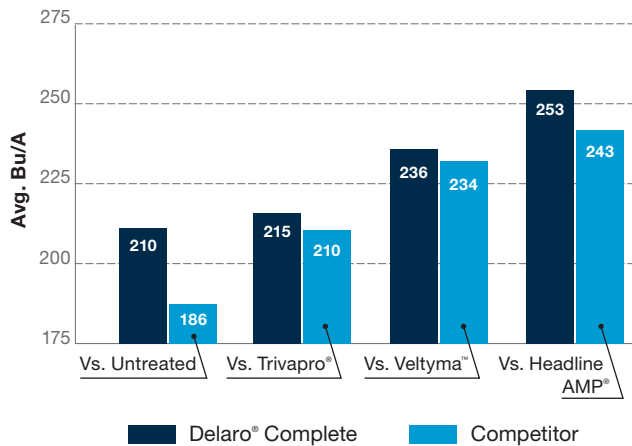

## KEY SOYBEAN DISEASES

- Alternaria leaf spot
- Anthracnose
- Asian soybean rust
- Brown spot
- Cercospora leaf blight
- Frogeye leaf spot
- Pod & Stem blight
- Powdery mildew
- Rhizoctonia aerial blight
- White mold (suppression)

### /// DELARO® COMPLETE FUNGICIDE TRIAL RESULTS

Delaro® Complete consistently increased yield potential (on average) in our 2019 corn and soybean trials.

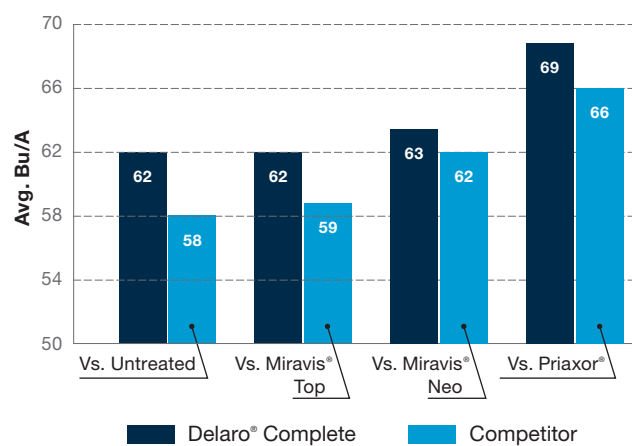

#### 2019 CORN PERFORMANCE

Delaro® Complete was tested as 8 oz. of Delaro and 2 oz. of Luna® Privilege per acre. Delaro Complete was tested against untreated 111 times, Headline AMP® 10 times, Trivapro® seven times and Veltyma™ six times.

ALWAYS READ AND FOLLOW PESTICIDE LABEL DIRECTIONS. Performance may vary, from location to location and from year to year, as local growing, soil and weather conditions may vary. Growers should evaluate data from multiple locations and years whenever possible and should consider the impacts of these conditions on the grower's fields. Not all products are registered in all states and may be subject to use restrictions. The distribution, sale, or use of an unregistered pesticide is a violation of federal and/or state law and is strictly prohibited. Check with your local dealer or representative for the product registration status in your state. Bayer, Bayer Cross and Delaro® are registered trademarks of Bayer Group.
