Foxtail (giant, green², yellow)

Goosegrass

Johnsongrass (seedling)

Millet, wild proso

Panicum, Texas

Shattercane (volunteer sorghum)

Signalgrass, broadleaf

¹See label for full listing of weeds controlled.

²Partial control: Partially controlled weeds will be stunted in growth and/or be reduced in number as compared to non-treated areas; performance may not be commercially acceptable. The degree of weed control will vary with application rate (higher rates = improved control), weed size, weed density, spray coverage and/or growing conditions.
