†Grower must match acres with a Roundup® brand agricultural herbicide.

2021 Program Requirements (9/1/20–8/31/21)

- > All Bayer PLUS earnings are paid upon valid net grower sales (grower sales minus returns and replants).
- > Seed counts as one product in program calculations.
- > Paired Products count as one in program calculations (Huskie® Herbicide 11 fl. oz. + Huskie® FX Herbicide 13.5 fl. oz. and Velum® Nematicide 6.5 fl. oz. + Velum® Total Insecticide 18 fl. oz.).
- > Partner Products are eligible for incentives up to highest number of matching acres from first two products in the Product Portfolio Incentives.
- > Growers can earn incentives on up to five eligible products in the Product Portfolio Incentives.
- > Growers must enroll in the program by the enrollment deadline (August 31, 2021) in order for eligible purchases to count toward the 2021 program.
- > Growers must operate in qualifying geography^{††} and purchase from an authorized retailer between September 1, 2020, and August 31, 2021.
- > Growers must have at least \$1,500 in Bayer PLUS Rewards rebates at the time of redemption to claim incentive.
- > Redemption requests must exceed \$500. 50% of rewards may be requested starting May 1, 2021, and 100% of rewards may be requested starting November 1, 2021. Rewards will expire April 30, 2022.

^{††}Growers living in Alaska, California or Hawaii do not qualify for Bayer PLUS Rewards.

Zeal® Pro Miticide	23 fl. oz.
Zeal® SC Miticide	4 fl. oz.

Visit the Resources section at MyBayerPLUS.com for additional program details, calculator tool, and terms and conditions.

PROGRAM CONDITIONS

1. BAYER CROPSOURCE LP AND ITS AFFILIATES ("Bayer") RESERVES THE RIGHT TO MODIFY OR WITHDRAW THIS PROGRAM OR ANY PORTION THEREOF WITHOUT PRIOR NOTICE.
2. Growers will forfeit rebates if products are resold outside of the Bayer authorized distribution or retail/dealer network. Only products purchased for use on grower owned or leased land is eligible for Bayer Plus Rewards. Purchases made for use on non-related farming entities cannot be consolidated to increase Bayer Plus Rewards.
3. No commission, incentive, rebate, refund, discount or other promotional payment shall be paid on units of eligible products under market funding programs where the sale is made, in whole or in part, via an online electronic point of sale system unless approved by Bayer in writing.
4. Bayer reserves the final decision, in its absolute discretion, on whether purchasers are valid growers.
5. Bayer reserves for a period of three (3) years from the 2021 Marketing Year the right to audit compliance with all conditions and provisions of this program or other Bayer offers which includes, but is not limited to, an audit of retailer/dealer's or grower's books/records and an inspection of facilities. If retailer/dealer or grower does not have the proper documentation for the three (3) year audit term, Bayer may treat such lack of valid documentation as if the sales were invalid and not properly made and subject to payment of the cost of the audit and forfeiture of program payments.
6. Bayer reserves the right to debit future payments due or otherwise seek reimbursement if errors are discovered after payments have been issued.
7. Bayer CropScience LP registers its products in the United States in accordance with and to meet U.S. regulatory standards. Such products are sold for labeled uses only and must be used only in accordance with all label instructions. Bayer recognizes that growers and exporting entities can participate in the global export markets for their commodities. However, standards, interpretation of those standards and testing procedures can vary significantly from country to country, and are subject to change. As such, while it will strive to assist growers by providing available information, Bayer **cannot guarantee** that meeting U.S. residue or tolerance standards will ensure compliance with maximum residue levels (MRLs) or other standards in place in importing countries. Growers and exporting entities are responsible to educate themselves about export markets and their requirements. If a grower or exporter is concerned about meeting and MRLs for an active ingredient or related metabolite, then testing for residues should be considered as an option to ensure residue levels are compliant with applicable MRL.

XtendiMax® Herbicide with VaporGrip® Technology is part of the Roundup Ready® Xtend Crop System, is a Restricted Use Pesticide and must be used with VaporGrip® Xtra Agent (or an approved equivalent vapor-reducing agent). For approved tankmix products (including VRAs and DRAs), nozzles and other important label information, visit www.XtendiMaxApplicationRequirements.com.

ALWAYS READ AND FOLLOW PESTICIDE LABEL DIRECTIONS.

For more information regarding the intellectual property protection for the seed products identified in this publication, please see www.AsgrowandDekalb.com. **Roundup Technology®** includes glyphosate-based herbicide technologies. Aeris®, Balance® Flexx, Baythroid® XL, Corvus®, Degree Xtra®, Harness® Xtra, Huskie® Complete, Huskie® FX, Leverage® 360, Scoparia™ and XtendiMax® are Restricted Use Pesticides. Not all products are registered in all states and may be subject to use restrictions. The distribution, sale or use of an unregistered pesticide is a violation of federal and/or state law and is strictly prohibited. Check with your local dealer or representative for the product registration status in your state. **Tank mixtures:** The applicable labeling for each product must be in the possession of the user at the time of application. Follow applicable use instructions, including application rates, precautions and restrictions of each product used in the tank mixture. Not all tankmix product formulations have been tested for compatibility or performance other than specifically listed by brand name. Always predetermine the compatibility of tank mixtures by mixing small proportional quantities in advance. Degree® is a registered trademark of Monsanto Technology LLC.
